
Unit 2 Big Question and Answer Extra Craft

Coloring, Gluing and Sticking Activity

Craft Description

Children will color and decorate the number associated with the Big Question they are learning.

Supplies

White paper (cardstock is best)

Crayons, colored pencils, markers

Glue sticks

Small decorating items, such as glitter glue, colored paper dots (made with a hole punch), small fabric scraps, pom poms, sequins, small tissue or foil pieces, etc.

Preparation

1. Print out copies of the Big Question and Answer and the Number onto separate sheets of paper.
2. Cut out the circle around the number.
3. Set out coloring and decorating supplies.
4. Make an example of each card to show the children.

Directions

1. Show the children your example, telling them they are decorating and practicing the Big Question and Answer to go and tell their families and friends.
2. Have children first color their Big Question and Answer sheets,
3. Then have them use the additional decorating supplies to fill in the space around their number.
4. Glue the number in place.
5. Write child's name on card.
6. Allow cards to dry.

If you don't want to use the extra decorating supplies, just have the children coloring in their numbers and glue them in place on their Big Question and Answer sheet.

Practice Telling

Have the children practice holding up the Big Question and saying it. You can have fun with this by having the children mimic when you raise it up, how you say it, etc. a sort of Simon Says element.

Unit 2 Bible Verse Extra Craft: Psalm 18:30

Bible Verse Book

Bible Verse: “As for God, his way is perfect; the word of the LORD is flawless.” Psalm 18:30

Craft Description

Children will decorate a little “Bible” book that opens up to reveal the end of the Bible verse.

Supplies

White paper or cardstock

Bible inside and outside page

Crayons

If desired, use glitter and glue/glitter glue pens

Preparation

1. Print out onto the two sides of the Bible onto the back and front of one piece of paper.
2. Set out crayons, glitter and glue (or glitter glue pens).
3. Make an example of the craft for the children to see.

Directions

1. Show the children your example, telling them that they are making this so that can go and tell their parents and friends this week the Bible verse they are learning.
2. Have the children color in the words and pattern on the front cover of the Bible.
3. Have the children color in the word “True” on the inside of the Bible. Add glitter glue accents around the words. Or, they can use glitter to fill in all of the letters of the word. If working with youngest children, you might want to put the glue in the letter sections for them, then let them sprinkle the glitter on.
4. Allow card to dry before folding down middle.
5. Write child’s name on card.

Practice Telling

Have the children practice telling the Bible verse by holding up their Bibles, front cover showing. Say the words to the verse together: Psalm 18:30 “As for God, his way is perfect; the word of the LORD is...”

Then, on the word “flawless”, have the children open up their Bibles to reveal the “flawless.” You also can play the Big Question 2 Bible Verse songs and practice as you sing. This makes a fun listening and learning activity.

NOTE: The word “flawless” may be a new word to the children. Remind them that it means “no mistakes”. God’s Word always proves true. If you make a big deal about them learning a new, big word, they will not only learn what it means, but love saying it.
