Note: Use sticky tac putty rather than velcro on back of pictures placed on top of other pictures.

Place BG4 on top of BG3 before you tell story. Remove BG4 to reveal lions during the story.

NOTE:

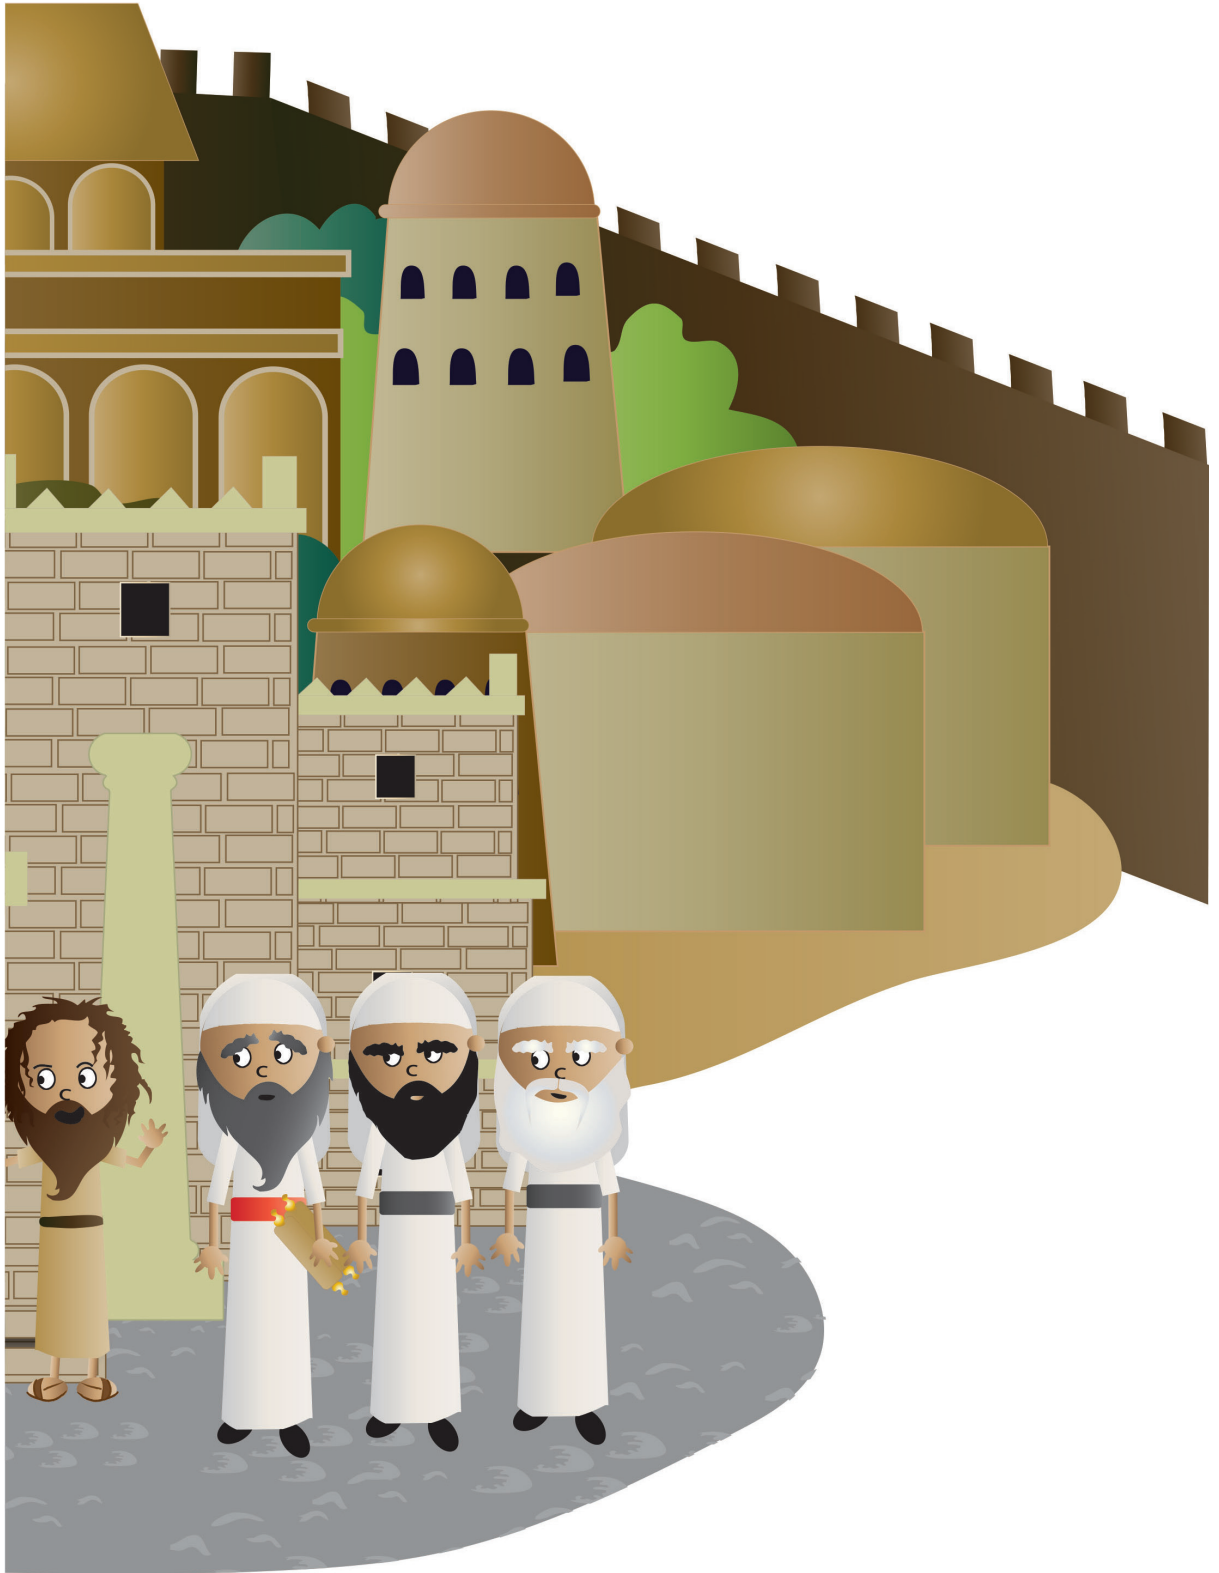

Some of the larger images are assembled from two or more pages. You can make these easier to fold by leaving a small gap in the lamination between the pieces. This allows you to fold the image along the gap.

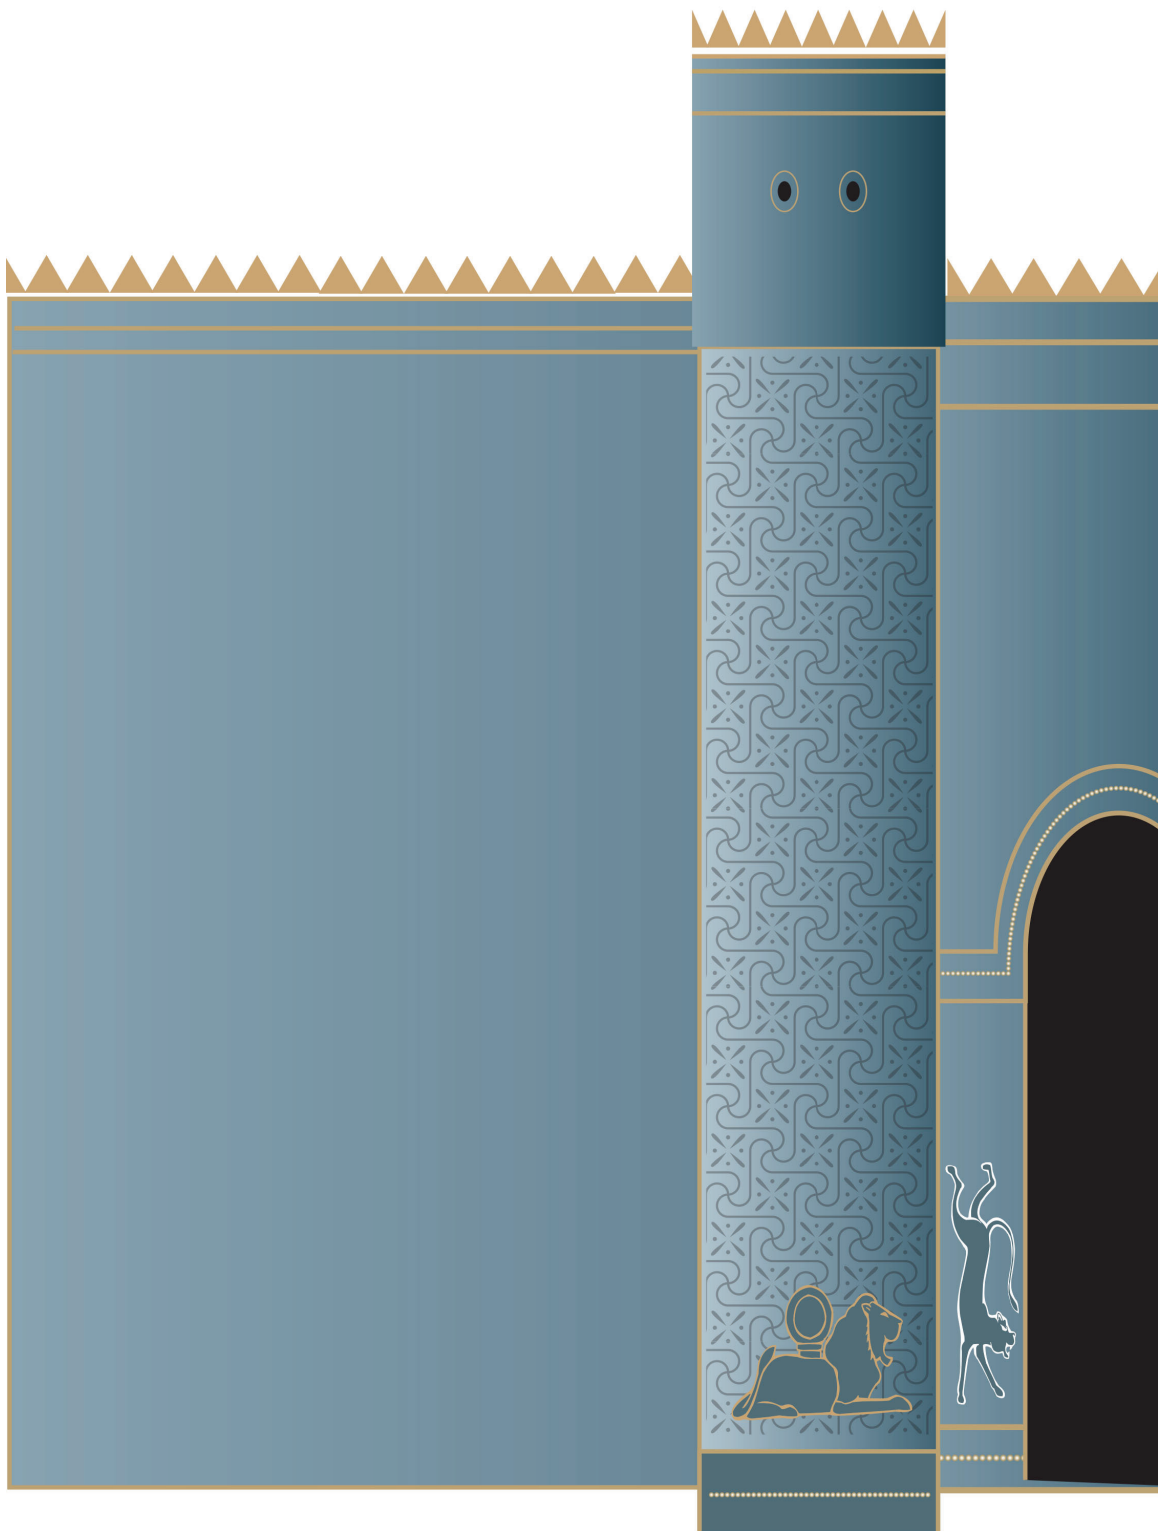

leave slight gap here
to create a “hinge” for
easy folding
