Marker
Glue

Preparations

1. Cut the tissue paper into square or circle shapes about 1 ½" in diameter.
2. Copy Template #1 onto paper or write words & draw heart shape onto paper as shown.
3. Set out glue on paper plates (or glue sticks).

Introducing the Craft:

"Our Big Question is: "Can You Tell Me What God Made? We've learned that "God Made All Things Good...He Made People in a Special Way..." That's something very good to know. But many people don't know that. So do you know what God wants us to do? He wants us to go and tell others this very important news. So today we are going to make something we can show and tell them, too. Here's what it looks like... (Hold up example of craft)."

Directions

1. Show children your finished craft, reading the words to them.
2. Let the children color in the picture of the child on the front of the card
3. As children finish the front of the card, they are ready to make their hearts.
4. Show the children how to scrunch up pieces of tissue paper, dab them in the glue and stick them on the heart shape.
5. Make sure to write each child's name on their craft.

Can You Tell Me What God Made? God Made All Things Good... God Made People in a Special Way! People are God's most special creation. God created us with a spirit, so we can know Him, love Him, and enjoy Him. And, so we see and enjoy His goodness, as we enjoy and explore all of His creations. Sadly, we have all chosen to disobey God, since those perfect, first days when God created the world. We have broken what God made so perfectly. But God has made a way for us to come back to Him. How? By turning away from our sins and trusting in Jesus as our Savior. God will forgive our sins and make us His people. He will restore the friendship He made us to have with Him. Ask God to help you. He loves to answer this prayer.
