Unit 5

Curriculum:
God, the Good
Creator

Session Prep (especially good for newbies!)

Pray! *NOTE: Most 2 & 3 year olds do best simply learning the Big Question & Answer, a simple version of the Bible story, and maybe the Bible Verse. Use other activities, as time and attention span allow. Your session prep need only include what you use.*

Pray for the Holy Spirit to be at work in your heart and the children's hearts.

Review

If new to the curriculum, look at the **Getting Started with Hide 'n' Seek Kids section of this book** (p.5) It will be especially helpful to read through the Hide 'n' Seek Kids section of **The Praise Factory Tour: Extended Version Book**. This is a visual way to understand what goes on in the classroom. (A pdf of the book is found in the samples section on the website.)

Look through and Learn the Lesson

Read over **lesson plan**. Practice any **songs or action rhymes** you are using. Choose/make up motions to go with these. Choose less with younger children and more with older preschoolers. **Practice the lesson with the visual aids** and using the Big Question Box/Briefcase.

Read and Rehearse the Bible Story with Pictures

Read the Bible story from the Bible. Read the curriculum version. Practice telling it with the storyboard pictures. (If you have not previously laminated the story pictures, do that now.) Or, rehearse it from the Simple Story Scenes, if you are using those.

Let There Be Music

Download the music and listen to the songs. Choose which of the songs you will use with the children. If using live musicians, make sure they have the sheet music (found in Appendix A).

Put the Props in Place

1. Prepare your Visual Aids. Put the Bible Verse, Listening Assignment, Bible Story in one side of the Bible folder. Keep out the Big Question sign.
2. Get out your storyboard. If using Simple Story Scenes, put these in your Bible Folder. Or, if using the individual storyboard figures, put all background pictures in place (they have a BG by the number). Put the rest of the storyboard pictures (these have a SB by the number) in order of use in the other side of the Bible folder.
3. Put the HSK Bible Folder as well as the Big Question sign in the Big Question Box/Briefcase and shut it. If your box/briefcase has locks and you want to use the unlocking the box as part of your session, lock it now....but make sure you have the key or know the code first.
4. Prepare the music CD or sheet music or mp3 device for use in your session.

Set Out Free Play Activities

Choose and set up free time activities you will use with the children. Choose a variety of different activities that will be enjoyed by different types of children. Rotate the activities you provide to keep them interesting and fresh to your children. (Suggestions in Appendix D, Core Curriculum books.)

Prepare Any Activities

Choose which (if any) of the unit games and crafts activities you want to use in the session. Bear in mind your time frame as well as the developmental abilities/attention span of your children as you decide what/how many to prepare. **Look over the Discussion Sheet** and choose a few questions you might use to spark discussion with the children as they do their activities (especially good for ages 3's+). Pray for God to give you opportunities to talk about these things with the children.

Let Them Take It with Them

Make copies of the craft/take home sheets, if you are not already using them as one of your activities. You may also want to make copies of the story (see take-home version of each story included in Appendix C with the other take home resources) to have for parents to use with their children at home. There's a link on each craft/take home sheet to the story, if you don't make hard copies.

Store It

After your session is over, collect the resources and store them for future use. This curriculum can be used over and over for years to come.

Unit 5 Overview of Key Concepts

UNIT 5: God, the Good Creator

Unit Big Question (and Answer): "Can You Tell Me What God Made? God Made All Things Good!"

Meaning:

Did you ever wonder where everything in this world came from? All of the plants, animals and insects...the fish and birds...the sun, moon, stars and planets...the tall mountains and the beautiful oceans...the people here around us and the angels up in heaven? Did they just get here on their own? No, they did not! God made them. And when God made them, He made them good—perfect and without sin. He made them just right for His good plan for the world.

What was God's good plan for the world? He planned for everything He made to show us what He's like, so we could know how wonderful He is.

Unit 5 Bible Verse: Genesis 1:1,31, ESV

"In the beginning, God created the heavens and the earth...God saw everything that He had made, and behold, it was very good."

Meaning:

Long, long ago, God made everything. He made everything in the heavens up above us--all the twinkly stars, the sun and moon and everything else. He made everything on earth--all the animals, the trees and flowers, and the tall, snowy mountains. He made the fish that swim in the seas and the birds that fly in the air, too. Most special of all, He made people. Everything God made was just right! He called it very good and it was!

Unit 5 ACTS Prayer

- A** We praise you, God. You are the one who made everything in heaven and earth! You are our Creator.
- C** God, You created us to know You and worship You. We should obey You and Your good laws, but many times we choose to disobey You, instead. Please forgive us! We need a Savior!
- T** Thank You for all the beautiful things in heaven and earth You created for us to enjoy. Thank You for showing us what You are like, as we look at them. Thank You for creating us with a spirit, so we can know and love You.
- S** Help us to know You better, as we look around us at everything You've made. Work deep inside our hearts. Help us to turn away from our sins and trust in Jesus as our Savior. In Jesus' name we pray. Amen.

Hide 'n' Seek Kids ESV Songs 5 Track Numbers

This is a listing of all songs mentioned in the unit curriculum. You may or may not choose to use all of the songs. They are listed in easy-reference order--NOT in the order used in the curriculum.

You may choose to simply burn a CD/load them onto an mp3 device in this order. Or, you may want to do what we do: choose the songs we want to use and create a play list of them in that order. Then, we burn a CD/upload the play list onto an mp3 device. A teacher only has to click forward to the next song, instead of hunting for the right track. The track number have been included as part of the title of each song, so teachers will still have a reference to the track number listed in the curriculum (same as those listed below), even if you change the order on your customized play list.

SONGS USED EVERY UNIT OF THE CURRICULUM

- 1 The Classroom Song v.1
- 2 The Classroom Song v.2
- 3 The Classroom Song v.3

Why the Extra Songs?

Hide 'n' Seek Kids is a curriculum used by children of different ages. Sometimes one of the other songs is a better fit for your kids. Or, you may simply want to teach them more songs on the same Bible Truth. Use as many or as few as you want.

The Case of the Wild and Wonderful Words

Genesis 1-2

of BQB

Story-telling Tips

Ahead of time:

1. Read the Bible verses and story. Pray!
2. Choose story action cues and/or prepare storyboard pictures, if using. (Included in Visual Aids book)
3. Practice telling story with the pictures, timing your presentation. Shorten, if necessary to fit your allotted time.

During your presentation:

1. Maintain as much eye contact as possible as you tell the story.
2. Put up storyboard figures/add story action cues as you tell the story. Allow the children to help you put them on the board, if desired.
3. Include the children in your story with a few questions about what they think will happen or words/concepts that might be new to them.
4. Watch the kids for signs that their attention span has been reached. Shorten, if necessary.

INTRODUCTION/ LISTENING ASSIGNMENTS

“Our story is called: The Case of the Wild and Wonderful Words. Here is your listening assignment...”

Read from Detective Dan’s Listening Assignment signs, but questions are summarized below:

Detective Dan’s Lesson #1 Listening Assignment:

As you listen to the story, see if you can figure out:

1. Who spoke the wild and wonderful words?
2. What good things were made when he did?

Detective Dan’s Lesson #2 Listening Assignment:

Our Bible verse is Genesis 1:1,31: “In the beginning, God created the heavens and the earth...God saw everything that He had made, and behold, it was very good.”

As you listen to the story, see if you can figure out:

1. What were some of the things that God created in the beginning?
2. What was so very good about everything He made?

Detective Dan’s Lesson #3 Listening Assignment:

I found four clues, but one of them is NOT in the story.

They are: A star; a bird; a plant; and a car.

Hold up each of the four pictures for the children to see as you identify them. Better yet, put them up on your flannelgraph board, off to one side.

I need to know:

1. Which three pictures belong in the story and which one does not?
2. What did God use to make these things?

Detective Dan’s Lesson #4 Listening Assignment:

As you listen to the story, see if you can figure out:

1. What special earth creature did God make in the beginning to know Him and praise Him more than all the others?
2. What is something they could praise God for being like as they looked at all He created?

Detective Dan’s Lesson #5 Listening Assignment:

As you listen to the story, see if you can figure out:

1. Did God’s beautiful world stay as perfect as it was when He first made it?
2. What did God send Jesus to do when bad things came into the world?

Read the questions, THEN SAY,

“Ok, Hide ‘n’ Seekers! Put on your best listening ears and see if you can hear the answers to Detective Dan’s questions. When I finish telling the story, we will see if we can answer all the questions.”

"The Case of the Wild and Wonderful Words" Genesis 1-2

Story with lines separating paragraphs (text in bold, optional interaction cues in italics)

Long, long ago, there was only God.

Back then--just as right now-- God was very GLORIOUS! That means God was all good, and beautiful, and loving, and powerful, and everything that is perfectly wonderful.

And even though there was only God...He was very happy.

Can you show me your happiest face? God was even happier than that!

God... this Glorious, Happy God... had a big plan to do something gloriously wonderful....to MAKE something gloriously wonderful.

What could God's plan be? What would He make? Let's see...

What do you think God is going to make?

All around was darkness, then God said, "Come, light!" And POP! Out came shiny, bright light.

Don't you love the light? I do. Can you make a shimmery bright light by wiggling your fingers with me?

"This is good," God said. "It's just what I had planned."

What did God say it was? Can you say it with me? "This is GOOD!"

Then God said, "Come, dry land!" And POP! Out came the land from the cool, splashy water. There were tall mountains, and deep valleys, and lots of flat land, too.

Stretch up high and make tall mountains with your arms.

"This is good," God said. "It's just what I had planned."

What did God say it was? Can you say it with me? "This is GOOD!"

Then God said, "Come, green plants!" And POP! Out came tickly, green grasses, sweet-smelling flowers and big, tall trees.

Can you pretend your feet are tickled on the bottom by grass?

"This is good," God said. "It's just what I had planned."

What did God say it was? Can you say it with me? "This is GOOD!"

Then God said, "Come sun, moon, and stars!" And POP! Out came the bright sun, the softly glowing moon, and the twinkling stars.

Can you make your arms into a big, round sun?

"This is good," God said. "It's just what I had planned."

What did God say it was? Can you say it with me? "This is GOOD!"

Then God said, "Come, fish! Come, birds!" And POP! Fish wriggled and jumped in the water. Birds swooped and soared in the skies.

Can you make a fishy noise: blub, blub, blub? Can you flap your arms like a bird?

"This is good," God said. "It's just what I had planned."

What did God say it was? Can you say it with me? "This is GOOD!"

Then God said, "Come, animals!" And POP! Bears growled.

Can you growl like a bear?

Dogs wagged their tails and barked. Bunnies wiggled their nose and hopped.

Can you bark like a dog? Can you wiggle your nose and hop like a bunny?

Kangaroos went bounce, bounce, bounce, all around! Lizards slithered along the ground.

Can you bounce like a kangaroo? Can you slither like a lizard?

God made many other creatures, too... more than you can count! "This is good," God said. "It's just what I had planned."

What did God say it was? Can you say it with me? "This is GOOD!"

Last of all, God made a man and a woman.

God put something special inside their bodies that wasn't inside ANYTHING ELSE that He made on earth. Do you know what it was? He put a spirit--a special HEART-- inside their bodies so they could know and love Him.

The man and the woman were very, very happy. They knew God and loved Him. They loved each other, too. They delighted in all the wonderful things God made.

Can you show me your happiest face?

<p>Cracking the Case: (story wrap-up for Listening Assignments)</p> <p>It's time to see how we did with our Listening Assignment.</p> <p>Detective Dan's Lesson #1 Listening Assignment:</p> <p>1. Who spoke the wild and wonderful words? God did.</p> <p>2. What good things were made when he did? God made everything in the heavens and the earth... even us! He just spoke and they came to be.</p> <p>For You and Me: We can look all around us and see some of the many good things God made. He wants us to learn about them and enjoy them. And do you know what else He wants to happen as we look at what He's made? He wants us to come to know Him better, too. We can ask Him to help us. He delights to do this!</p> <p>Detective Dan's Lesson #2 Listening Assignment:</p> <p>Our Bible Verse is: Genesis 1:1,31 "In the beginning, God created the heavens and the earth...God saw everything that He had made, and behold, it was very good."</p> <p>1. What were some of the things that God created in the beginning? Night and day; stars and the planets; the earth; the fish in the seas and the birds in the skies; the animals and us!</p> <p>2. What was so very good about everything He made? Everything God made was very good. It had no bad in it. He made it perfect for all His good plans.</p> <p>For You and Me: What are some of your favorite things that God made? What makes them so special? Each thing God made has its own, special beauty. Each thing is amazing in its own way. God made people the most amazing of all! He made us with a special heart (a spirit) so that we could know more about Him as we look at all the good things He made. Ask God to help you know more of Him as you look at His creations! He loves to help us do this!</p> <p>Detective Dan's Lesson #3 Listening Assignment: I found four clues, but one of them is NOT in the story. They are: A star; a bird; a plant; and a car. I need to know:</p> <p>1. Which three pictures belong in the story and which one does not? The car does not belong.</p>		
	<p>2. What did God use to make these things? God only used His powerful word. He spoke and they came to be. That's it!</p> <p>For You and Me: God used just His powerful words to create everything in heaven and earth. And did you know His word is still powerful today? Did you know the Bible is also God's Word--written down for us. When we learn God's Word, the Bible, He can work in our hearts and help us to know Him. Ask Him to do this in you!</p>	
	<p>Detective Dan's Lesson #4 Listening Assignment:</p> <p>1. What special earth creature did God make in the beginning to know Him and praise Him more than all the others? People.</p> <p>2. What is something they could praise God for being like as they looked at all He created? They could praise Him for being so beautiful, powerful and great.</p> <p>For You and Me: Those first people had so much to praise God for, as they looked at all He created. So do we. We can look at the mountains and see a little bit of how mighty God must be. We can look at a sunset and understand a bit of how beautiful God is. We can look up at the millions of stars in the sky and see how great God must be. God has given us so much to praise Him for!</p>	
	<p>Detective Dan's Lesson #5 Listening Assignment:</p> <p>1. Did God's beautiful world stayed as perfect as it was when He first made it? Sadly, it did not! Bad things came through sin when we disobeyed God.</p> <p>2. What did God send Jesus to do when bad things came into the world? God sent Jesus to be our Savior. He came to take the punishment for the sins of God's people, so they could know God and be His people forever.</p> <p>For You and Me: We all disobey God. We need a Savior. Jesus can save us from our sins and make us God's people, too, when we repent of our sins and trust in Him as our Savior. God loves to help us do this!</p>

Questions to aid discussion of the key concepts and for use in games

Be familiar with these questions and answers. Look for opportunities to ask questions and talk about their answers, such as while the children work on their coloring pages, as part of their games, or during play time. It is to be deliberate in having good conversations with them, as natural opportunities arise.
