# Revealing the Bible Truth We Are Learning

*Hold up the front side for the children to see. Cover up the answer, written along the bottom, and say:*

**“What’s So Special about the Bible?  
It Alone Is God’s Word...  
God made sure it was written down just ???? !**

We are missing one word. Here’s the hint to what the missing word is. It says: “What’s the opposite of something being wrong? It rhymes with the word “light.”

Can you guess? It’s “right”.

So the Bible Truth we are learning today is:

*(uncover answer from bottom of sign, show it to them and say:)*

**“What’s So Special about the Bible?  
It Alone Is God’s Word...  
God made sure it was written down just RIGHT !**

And here what this Bible Truth means:

*(read the meaning off of the back of the sign, say:)*

The Bible looks like one, big, thick book; but, it’s really sixty-six books, all put together. Many people, over many years, wrote down these books. Some wrote down songs to God. Others wrote down His laws. Some wrote down God’s promises and warnings. Others wrote down stories of the great things that God has done for His people; and, how He sent Jesus to save them.

But why do we call the Bible “God’s Word”, if all these people really wrote down the words? Because God did something very special inside each of those people as they wrote down those words. God’s Holy Spirit worked inside of them so that their words weren’t just their own words; they were God’s perfect words, too. Isn’t that amazing? There really is no other book like the Bible, is there?

2 Timothy 3:16-17 tells us:

### **2 Timothy 3:16-17**

"All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be complete, equipped for every good work."

**Learn a Little:** "All Scripture is breathed out by God."

### **What does that mean?**

Scripture is another word for the Bible. What does it mean for the Bible to be God-breathed? It does NOT mean that God really breathed air out onto the pages of the Bible. It means that God's Holy Spirit was there, working inside of each person as they wrote it to down. He made sure that it was written exactly as He wanted it to be. Every single bit of the Bible is useful to anyone who wants to be a man (or woman/boy or girl) of God. God can use it to teach us about Himself and how He wants us to live. God can use it to change us and help us be who He wants us to be. Ask God to use His Word in your life. He loves to answer this prayer!

# The Case of the Words that Were Always Right

Exodus 24, Deuteronomy 5, 31, 2 Timothy 3:16

## Detective Dan's Listening Assignment #1

1. Whose words were always right?
2. What's the name of the big book where these words were written down?

## Detective Dan's Listening Assignment #2

### 2 Timothy 3:16, ESV

"All Scripture is breathed out by God."

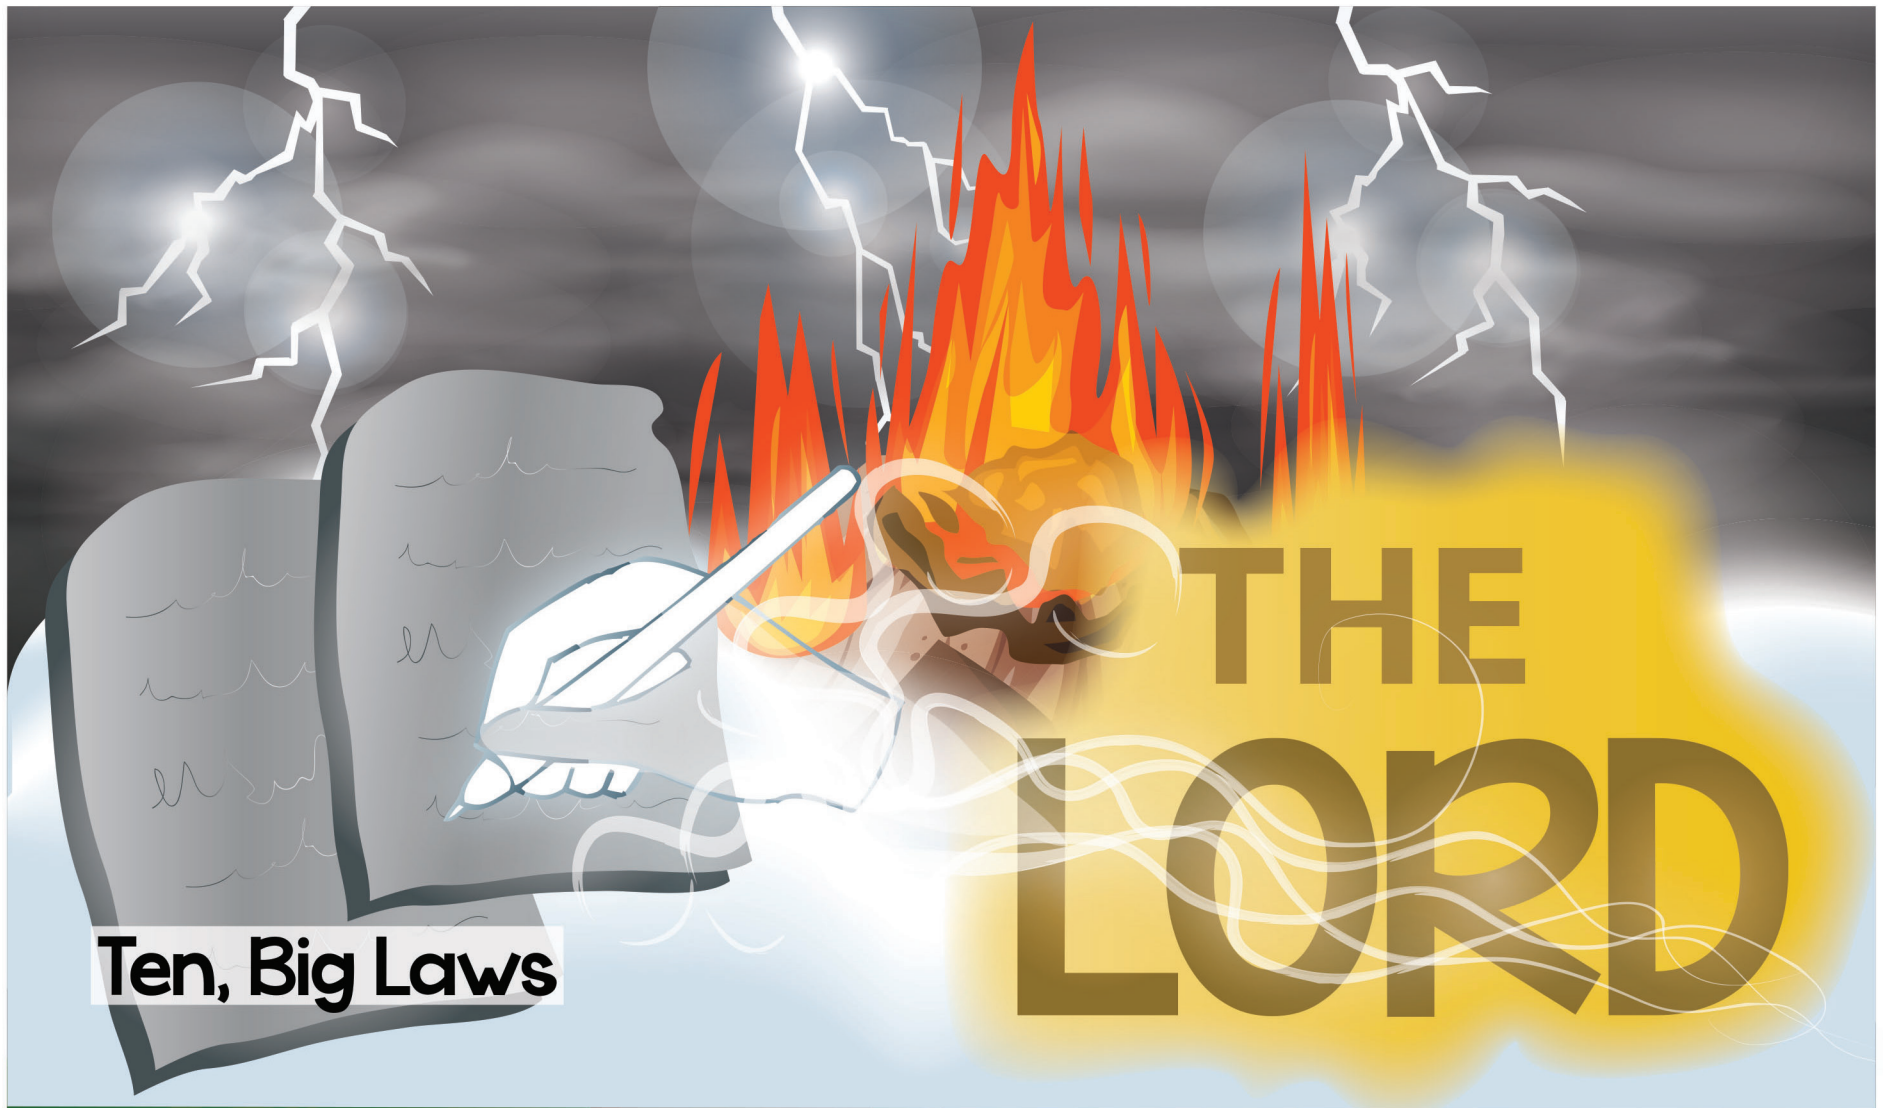

1. Scripture is another word for God's Word, the Bible. "Breathed out by God" that means God made sure what people wrote down were His words. Who did God send to help people write down His words just right?
2. What kinds of things did God have people write down to help us live for Him?

(more listening and discussion questions are included in the curriculum at [praisefactory.org](http://praisefactory.org))

I. High up on a smoky, fiery mountaintop, **SOMETHING** was being written down by **SOMEONE**.

“Well, what’s so special about that?,” you might ask. People write down things every day. Why, even **YOU** may have written down something today. Ahhh... but, **THIS SOMETHING** being written down by **THIS SOMEONE** was very special. Can you guess what the **SOMETHING** was that was being written down?

2. God's Word was the special **SOMETHING** being written down. And can you guess **WHO** the **SOMEONE** special was who was writing down God's Word? Was it a man? Was it a woman? No, it wasn't a man or a woman. It was the **LORD** God, Himself! He was writing down His Ten, Big Laws, called the 10 Commandments. And He was **NOT** writing them down on paper like we do, but **INTO** two, big pieces of stone. Isn't that amazing!

**no**  
**MISTAKES**

3. Now, when you or I write down something, we use a pencil with an eraser. That's because we make mistakes, or decide to change what we want to say. But not the LORD. He never needs an eraser. And He always knows just what He wants to say. He **NEVER, EVER** makes mistakes. So, the LORD just carved His Ten, Big Laws into those pieces of stone, and that was that. It was perfect. Just as perfect as He is! He made sure that it was written down just right.

The Bible  
66 books in 1

4. When God finished writing His Ten, Big Laws into stone that day was that the end? Was that all there would be to His Word? No, it was not! That was just the beginning. There was so much more that God planned to put down in writing. How much more? Can you count to sixty-six? That's how much more! The Bible would be big, and thick, and made up of sixty-six books, when it was all finished. But, this *WAS* the only time that God wrote down His Word, Himself. All the rest of God's words written in the sixty-six books of the Bible would be written down by people.

# Holy Spirit

5. Uh-oh! PEOPLE writing down God's very special Words? That doesn't sound like a good idea. People make mistakes. How could THEY ever write down God's Word on their own and get it just right? God knew the answer. He wouldn't have people write down His Word alone. He would give them a Helper-- His very own Holy Spirit--to work powerfully in their hearts and minds. He would make the words they wrote down just right. He made each person's words to be not just their own words, but His perfect Word, too. Let's hear about some of these people.

6. Out in the wilderness, God used an old man named Moses to write down His Word. And oh, what a lot of words God gave Moses to write down! Not tens or hundreds of words, but thousands and thousands of words! God had Moses write down all of the hundreds of good laws God gave His people to live by. But that's not all...

7. God also had Moses write down the story of how God created the world so beautiful and perfect, way back in the beginning of time. He told of the perfect closeness that the first people, Adam and Eve, had with God and with each other. Then, Moses wrote down the sad story of how Adam and Eve disobeyed God, and how all people after them chose to disobey Him, too. This was how sin came into God's good world, and why we need a Savior.

8. Moses also wrote down the great promise God made to Abraham. It was His promise to use Abraham's family to bless the whole world with a Savior. The Savior, Jesus. And Moses wrote down God's amazing rescue of the people of Israel from their enemies, the Egyptians, and how He made promises with them to be His special people, and He to be their God.

# Holy Spirit

9. All this and even more, Moses wrote down. These became the first five books in our Bibles: Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. That's so many books! That's so many words! And every one was God's Word, written down just right. God's Holy Spirit at work inside of Moses made sure of that. But Moses wasn't the only person God used to write down His Word. God used a lot more people, in a lot more places, to write down the rest of His Word. Let's hear about some more of them.

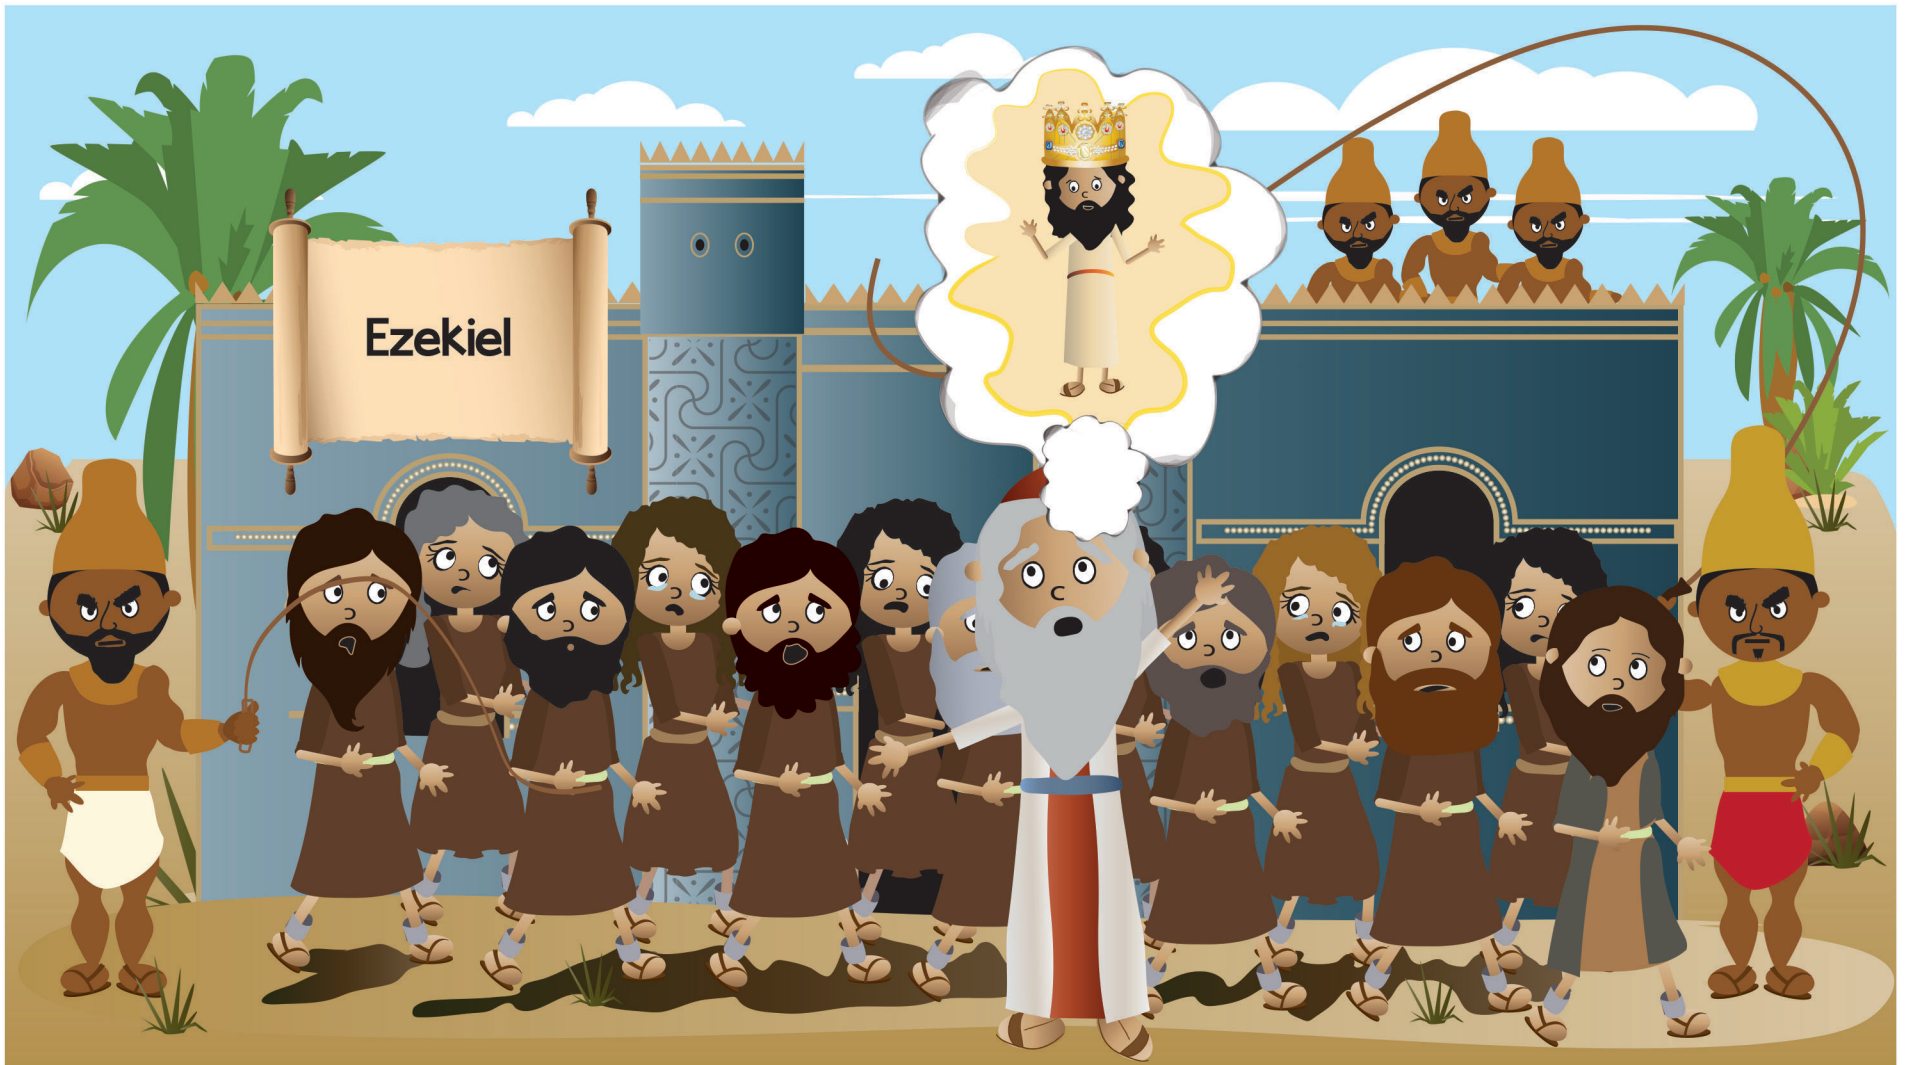

10. David sang songs to God everywhere he went. He sang songs to God as he watched his father's sheep at night under the stars. He sang songs to God as he gathered with God's people to worship God. He even sang songs as he hid from his enemies in a cave, sad and scared. God's Holy Spirit helped David as he sang the songs and as he wrote them down. Now we can read them in the part of the Bible called the Psalms.

II. God made David's son, Solomon, a very wise king. He lived in his rich, beautiful palace. God's Holy Spirit helped him write down God's wise ways for us to live. We can read them in the parts of the Bible we call Proverbs, Song of Solomon, and Ecclesiastes.

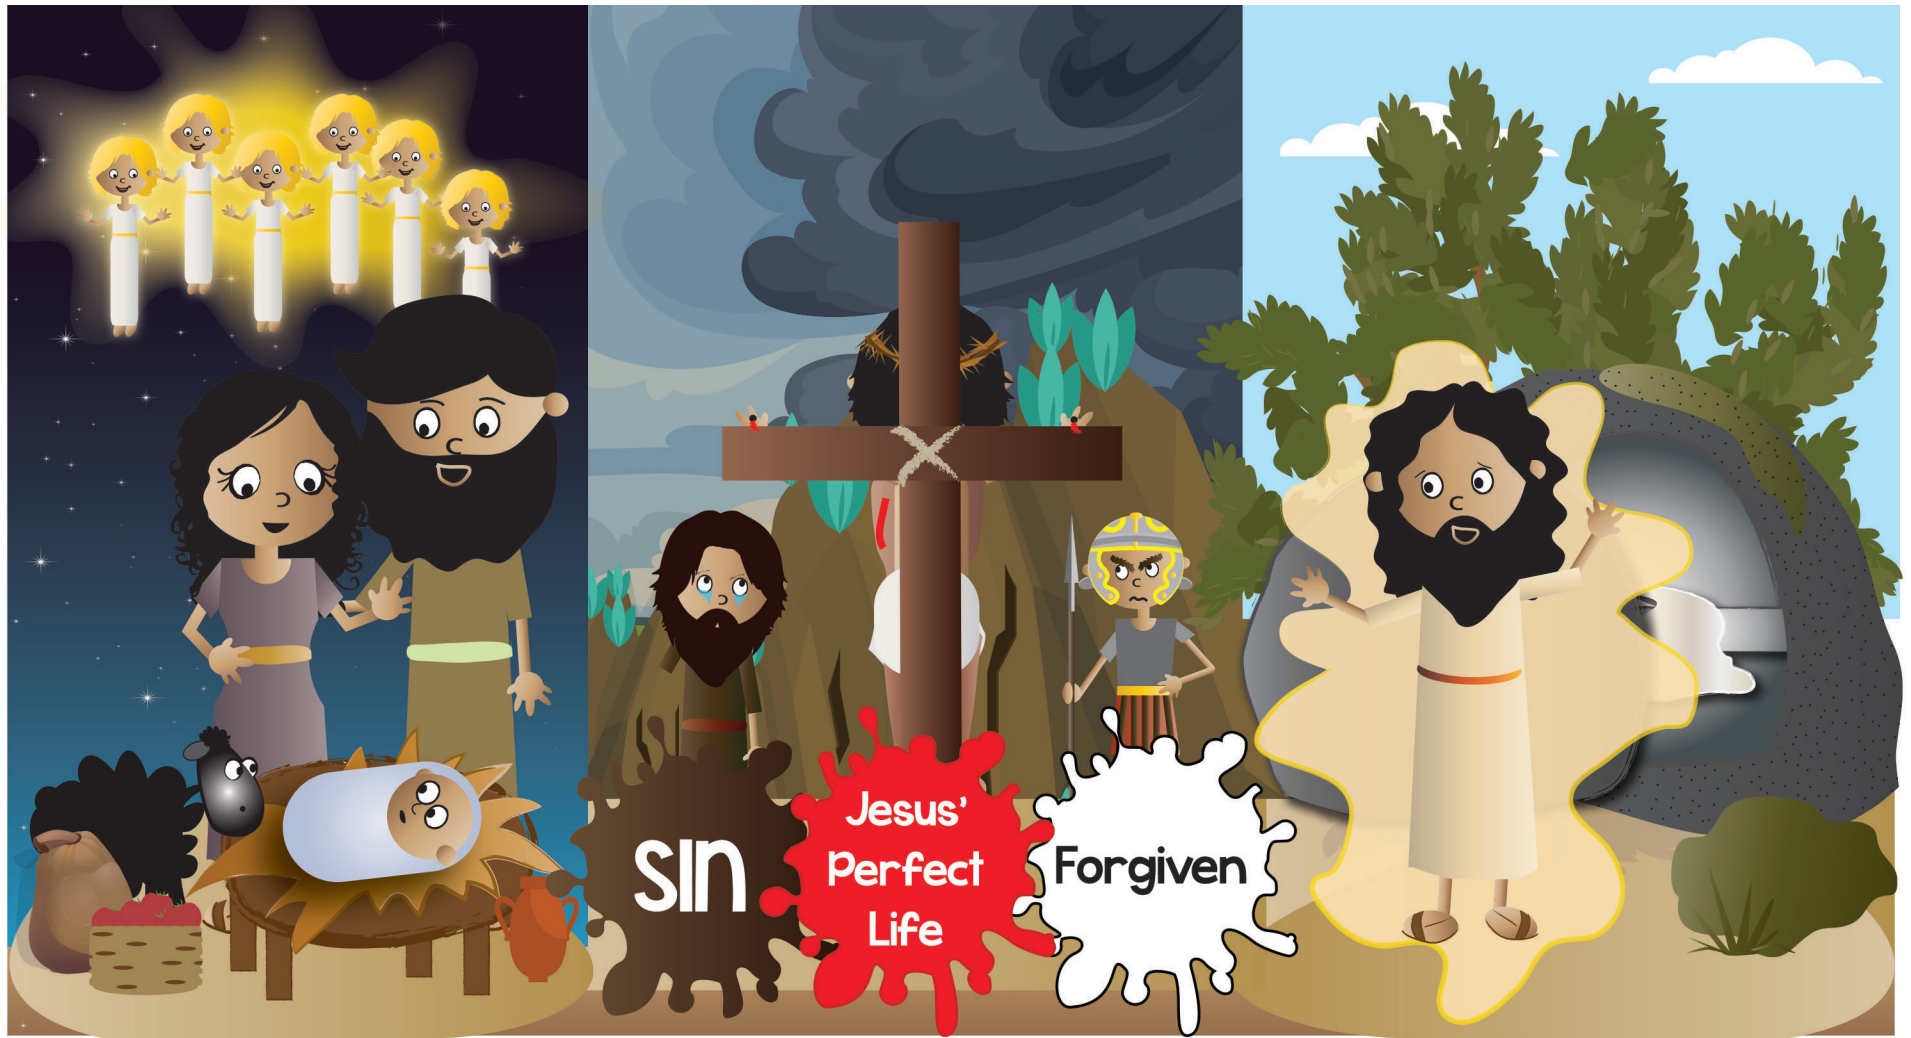

12. A man named Jeremiah was thrown into a deep, dark, muddy pit by people who had stopped obeying God. God's Holy Spirit helped him write down God's warnings to these people. He urged them to stop sinning and to turn back to obeying God. We can read what Jeremiah wrote down in the books of the Bible we call Jeremiah and Lamentations.

13. The people didn't stop sinning. So, enemies took God's people away to Babylon. They forced them to be their workers. God's people were very sad. God gave them His words of comfort through a man named Ezekiel. The Holy Spirit helped Ezekiel write down God's promises. God would rescue His people from their enemies, and would bring them back home, one day. He would send a special, new king who would save them. This king would be a man, but He would be God, too. (It's Jesus!) We can read what Ezekiel wrote down in the Bible book called Ezekiel.

14. God made sure that Ezekiel wrote down all of His promises just right. Every one of them came true. The LORD DID rescue the people from their enemies in Babylon. They got to go home.

15. And best of all, at just the right time, the promised Savior-King was born! Jesus, God's Son, was born in Bethlehem. He lived a perfect life, then gave it up on the cross, as He suffered and died for the sins of God's people. On the third day, Jesus rose from the dead, showing that He had really beaten sin and death for them. This was such good news! Everyone needed to hear how they could be saved through Jesus. So, what did God plan to do? He planned for His people to tell this good news; and, He planned to have it written down!

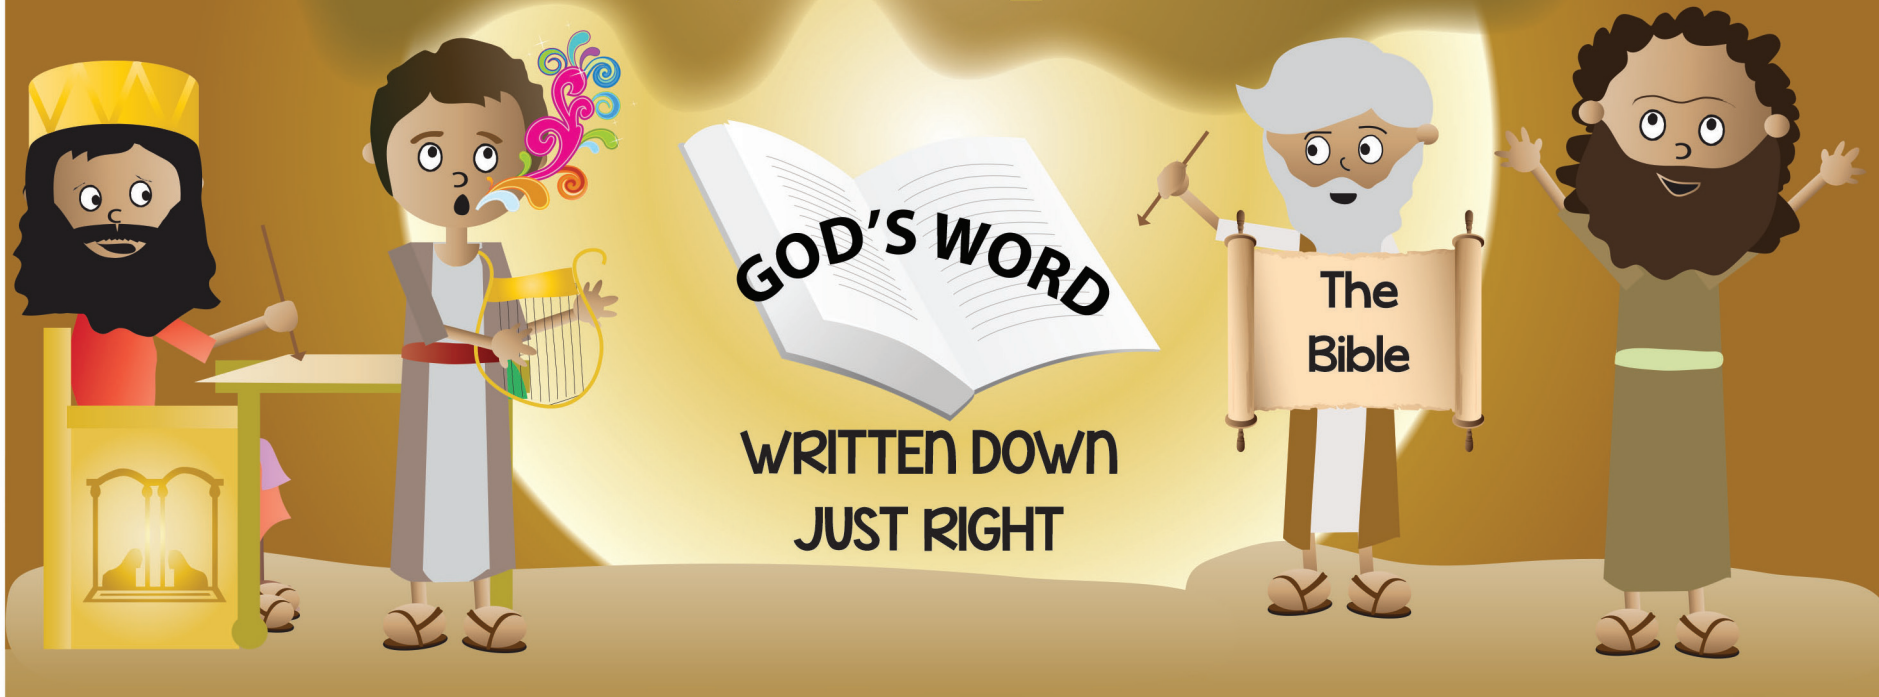

17. A man named Paul hated Jesus. He put God's people in jail. But God changed Paul's heart and Paul believed in Jesus, too. Then, people put PAUL in jail for telling others about Jesus! As Paul sat in jail, the Holy Spirit helped him to write words of encouragement to little churches of believers in faraway places. God used Paul to write down more than TEN books of the Bible!

18. John was one of Jesus' first disciples. He was another man who got in trouble for telling others about Jesus. Enemies sent him to live on an island in the middle of the Mediterranean Sea, so he would stop talking about Jesus. But John didn't stop! The Holy Spirit helped John write to God's people. He even wrote about the wonderful things that will happen when Jesus comes back to earth, at the end of time. We can read what John wrote down in the Bible books we call 1,2,3 John and Revelation.

# Holy Spirit

19. Moses, David, Solomon, Jeremiah, Ezekiel, Dr. Luke, Paul, and John. God used these and others to write down His Word, the Bible. And what did God do for them all? He helped them write down the words just right, by His Holy Spirit. Yes! In the wilderness, in a muddy pit. In a prison cell, in a faraway country. On an island, and everywhere else. God's Holy Spirit was at work inside each one of those people, helping them to write what He wanted them to write. All 66 books! And that's what so special about the Bible. It alone is God's perfect Word--written down just right.

# The Gospel

**The Bible tells us so many good and important things. But the very best thing the Bible tells us, is how we can be saved from our sins.**

**The Bible tells us that, even though we are sinners who deserve God's punishment for our sins, God sent His Son, Jesus, to save us. Jesus lived a perfect life. Then, He offered it up to God as full payment for the sins of God's people, as He suffered and died on the cross. On Day Three, Jesus rose up from the dead. He had really beaten sin and death for God's people!**

**We can become God's people, too, when we turn away from disobeying God (repent) and trust in Jesus as our Savior. Ask God to help you do this. He loves to answer this prayer!**

# A Prayer

**A** We praise you, God, for giving us Your Word, the Bible. We praise You for how Your Holy Spirit worked inside so many people, helping them to write it down just right.

**C** God, You have given us Your Word, but often we don't want to listen to it or obey it. Please forgive us. We need a Savior!

**T** Thank You for making sure Your Word was written down just right. Thank You that we can trust it to be true. And thank You for giving it to us, so we can better know You and how You want us to live.

**S** Work deep inside our hearts. Help us to understand Your Word and want to obey it. Help us to turn away from our sins and trust in Jesus as our Savior.

In Jesus' name we pray. Amen.
