

Questions to aid discussion of the key concepts and for use in games

Be familiar with these questions and answers. Look for opportunities to ask questions and talk about their answers, such as while the children work on their coloring pages, as part of their games, or during play time. Remember: your goal isn't to ask all these questions or to only talk to the children about these things. It is to be deliberate in having good conversations with them, as natural opportunities arise.

BIG QUESTION	What Are God's Laws Like? God's Laws Are Perfect!
