Other Resources in the Praise Factory Family of Curriculum

Deep Down Detectives is the second in a family of three, inter-related curriculums:

- Hide 'n' Seek Kids (focus group: ages 2-4; adaptable range: ages 2-pre-K 5's)
- Deep Down Detectives (focus group: ages 4--6's; adaptable range: ages 3-2nd grade)
- PFI: (focus group: grades K-5th grade; adaptable range: pre-K 5's-6th grade)

Each curriculum teaches the same biblical themes, but are presented in greater depth as the children grow and develop. Together, the curriculums work like an expanding spiral of truth that returns to reinforce the same truths with each curriculum, yet leading the children to deeper understanding with each step up.

About Detective Dan's Big Question Box

Detective Dan's Big Question Box introduces children to the key concepts of the Hide'n' Seek Kids and the Deep Down Detective curriculums in more of an interactive storybook format. It was created to be used with very little prep and is especially good for your youngest kids with the least attention span, and, for teaching situations where there is no time to prepare or your teachers have very little experience teaching. It is similar to Simple Story Scenes, but the concepts have been simplified and the stories shortened. Also, the music is woven into the format, instead of having to access it separately.

Format Overview

Every Detective Dan story follows the same, three-part format.

Part 1: The Kids and Detective Dan's Big Question

The kids receive a Big Question to solve from Detective Dan. They look in their Bibles and find the answer. They ask Detective Dan to tell them a Bible story related to what they are learning. (The QR codes to some of the Hide 'n' Seek Kids songs are also included on these pages, if you want to use them here.)

Part 2: The Bible Story

This is a shorter version (often much, much shorter) of the stories found in the Deep Down Detectives curriculum. suitable for your youngest children. (Note: story texts in Deep Down Detectives Simple Story Scenes resource is the same as the curriculum story text, if you want the full version.) There are listening questions that give the children something to listen for as they hear the story. (Note: there are two options of these questions: one for younger kids and one for older kids, such as 5 years old and up. After the story, the questions are answered, then there is a choice of two closing prayers: one for younger kids and another for older kids, such as 5 years old and up. There is also an optional gospel page that ties the gospel directly into the Bible truth/story, best for older kids. You can alternatively use the gospel songs to incorporate the gospel into every session via Wiggle and Worsip Time music instead of this gospel text page. This is usually better for younger kids' attention spans.)

Part 3: Wiggle and Worship Time

The session ends with Wiggle and Worship Time, in which the kids sing songs related to what they are learning. (The Big Question and Answer song, the Bible verse song, and other songs.) QR codes allow teachers to directly access the songs with a smart device. Or, you can always download the songs onto a device in advance.

Why I Created This New Version

Post-Covid, our volunteer numbers of experienced teachers are still low. We needed a new version of the curriculum, so that even these very inexperienced teachers could easily teach the kids. Detective Dan fits this bill.

How We Use This Detective Dan's at CHBC

Currently, we are using all three parts, plus the briefcase and props, with our 4 and 5 year olds. But, we are only using Parts 2 and 3 with our three year olds; and only Part 3 with our two year olds. This has each group of kids learning what seems best suited for their age in our large, classroom settings. We don't use any of the questions/ prayers for older kids, just the more simpler ones for younger kids.

Available Formats

Print Version

You can also choose to download or to purchase from Amazon, the regular, 8.5" x 11" size of Detective Dan. This will work just fine for smaller teaching situations.

Screen Version

You can also download Detective Dan and show on a screen. This is a very inexpensive way to make a large version of the curriculum with the printing expense. And, without having to decide where to store curriculum when not in use.

Need More?

Add in any of the games, coloring sheets, and other elements of the Deep Down Detectives curriculum, as found on the praisefactory.org website. Deep Down Detectives Bits and Pieces section is best for this.

Using Detective Dan's Big Question Box

Prepare Your Materials

1. Choose a Big Question "Case" story to teach the kids.

2. Choose how you want to present the curriculum.

Print out/purchase from Amazon hard copies. Or, if displaying the curriculum on a screen, download the materials to a computer (or teach directly from the Praise Factory website -- Bits and Pieces section.) Connect your computer to the screen.

3. Choose which parts you want to use with your kids.

See previous page for a description of each part and what might be most suitable for your kids. Here's what we do:

2's Introduce the Big Question, then use Part 3: Wiggle and Worship Time

3's: Part 2: Introduce the Big Question and Answer, then use the Bible Story and Part 3: Wiggle and Worship Time

4's and older: Parts 1,2,3 as written, and we incorporate the props and briefcase, as mentioned below in #5 optional props.

OTHER, OPTIONAL PREPARATIONS

4. Prep for the music.

If using the music, you will need to connect to the internet or download the songs. You will likely want to get a portable bluetooth speaker to connect to your device to better amplify the songs. This is especially important if you are teaching a larger classroom of kids.

5. Prep the optional props.

You can simply read the story from the pages, without any additional props. However, we find our kids (older 3's, 4's, 5's and up) LOVE to be part of the story by use of a "real" briefcase and "real" props, mirroring those used the the stories. We purchase a child's size briefcase, then, cut out and laminate the detective props, found in the back of this book. Put the Big Questions inside the corresponding props. The kids will get to pick out the prop and pull out the Big Question during that part of the story.

6. Other resources we find useful.

A bell: We find a bell is a helpful way to call the kids gather for BIble Time. Egg shakers: kids to enjoy shaking as they sing the songs during Wiggle and Worship Time.

Get Ready to Teach

- 1. Choose which "Case" you are teaching.
- **2. If using the music, connect your device to the internet.** If amplifying the music through a speaker, connect your phone to the speaker via bluetooth or cord.
- 3. Put your resources in place.
 - Story
 - Bell
 - Mp3 player and speaker
 - Big Question Box
 - Music Shakers
- 4. Pray.

Calling the Kids to Bible Time

- 1. Ring the bell.
- 2. Play the Gathering Song.
- 3. Ask kids to "park their toys" and join you in the Bible Time area.
- 4. Use the Criss-Cross Applesauce song to help kids to sit down and settle.
- 5. Pray the Opening Prayer.
- 6. Use the curriculum, whichever parts you are using with your kids. (See above)

Optional Briefcase and Props

Kids, ages 4 and up, love being a part of the story with the use of an actual briefcase and props. Here's how to make these props. Each pair of props form the front and back of a finished prop. There are 16 props, one for each Big Question. The Big Question is slipped inside the opening in each prop.

Assembling the Optional Props for the Big Question Briefcase

1. Go to praisefactory.org and download the Prop Pictures and Big Questions file from the Deep Down Detectives Bits and Pieces section on praisefactory.org.

This file will be located next to the Detective Dan Big Question Box files for each Bible Truth.

2. Pair Up.

Some are already attached and you cut them out as one and fold. Others, are two pieces that you will put together.

3. Cut out each pair of props.

Fold or piece back to back with picture sides outward.

4. Laminate each pair together, leaving one edge of the assembled piece unlaminated, forming a pouch opening.

Do this by placing that edge along the side of the laminating sheet so that it doesn't seal when it goes through the laminator. You can also create the pouch opening by simply snipping one area of lamination. You can also enlarge your pouch opening this way, if you accidentally formed too small of an opening.

5. Cut out the Big Questions and laminate them.

6. Fold and place each Big Question in the props as follows:

Big Question 1 Clue Jar

Big Question 2 Magnifying Glass

Big Question 3 Shoe

Big Question 4 Sunglasses

Big Question 5 Invisible Ink Jar

Big Question 6 Bow Tie

8. Purchase a kids' briefcase and put your props in it. You are ready to go!

Detective Dan's Listening Assignment #2

l Peter I:23, ESV

"You have been born again... through the word of God."

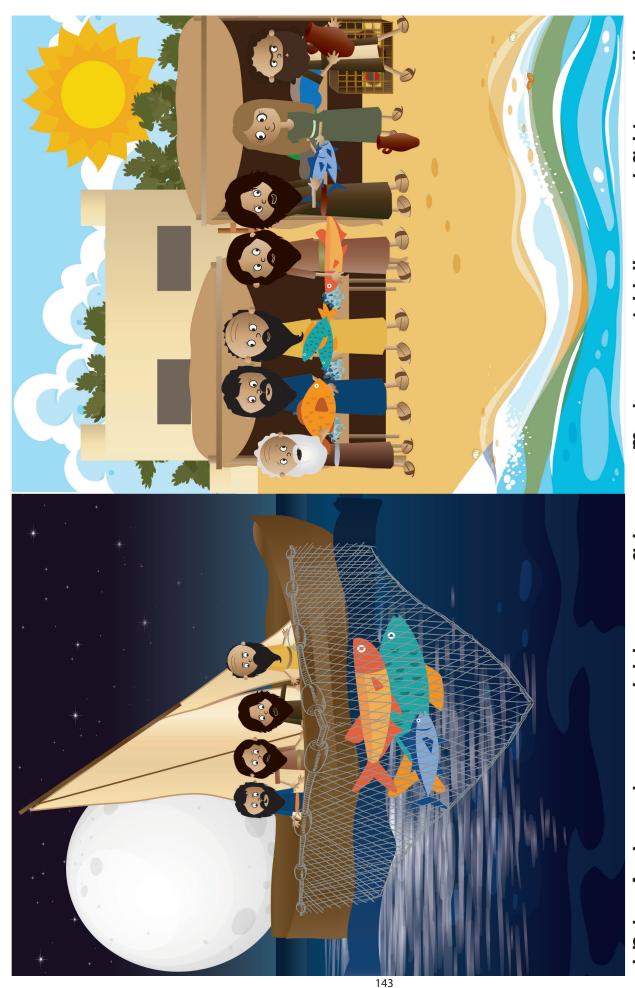

When we turn from our sins and trust in Jesus as our Savior, this is called being born again. That's because this is how God gives us a new life as one of His people. God uses His Word, the Bible to do this wonderful thing inside our hearts.

I. What happened as the fishermen listened to Jesus teach from God's Word, the Bible?

2. What did God's Holy Spirit help some of the fishermen write down?
Which of the fishermen wrote down the words to our Bible verse?

(more listening and discussion questions are included in the curriculum at praisefactory.org)

I. Peter, Andrew, James, and John were fishermen. Most every night, they went fishing on the Sea of Galilee. "Whoosh," they threw out their nets, then "grrrrrunt," they pulled them in filled with fish. Catch fish at night. Sell fish by day. That's what fishermen did.

2. But one night, the nets went out empty and came BACK empty... every single time! Sad Peter, Andrew, James, and John rowed their empty boat back to shore. No fish meant no money. They would just clean their nets and go to bed. Ugh! This was the worst night ever!

3. But then, someone came who would turned that worst NIGHT ever into the best DAY ever for those men. It was Jesus! He led a crowd of people near to where Peter, Andrew, James, and John worked. Jesus had come to teach God's Word, and He wanted these fishermen to hear.

4. As Jesus taught, God's Holy Spirit worked in the hearts of Peter, Andrew, James, and John. This was just as Jesus had planned. These men would become His disciples. He would teach them God's Word and prepare them to tell the whole world the good news of salvation.

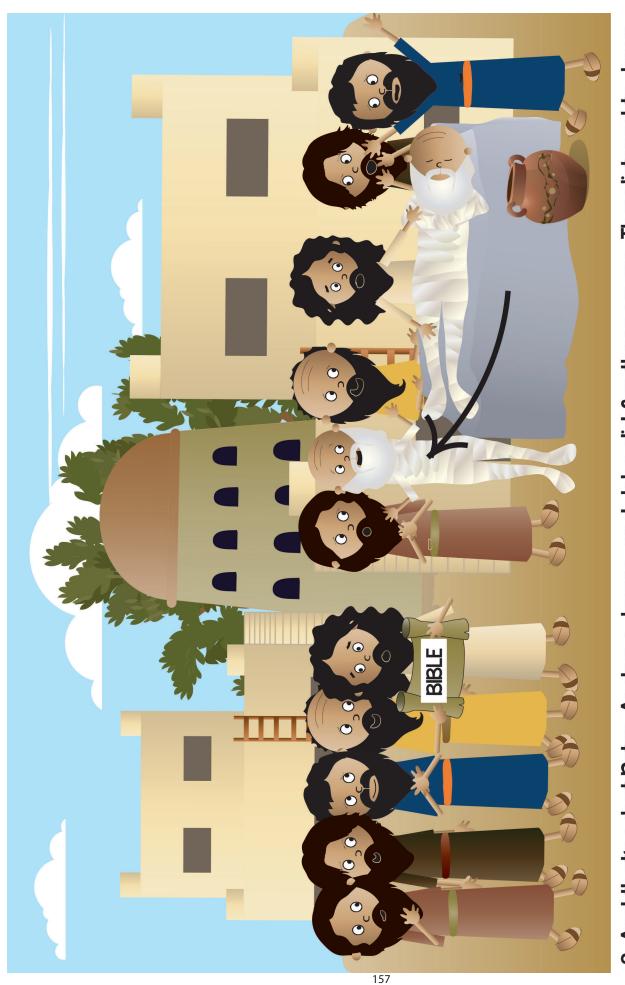

5. When Jesus finished teaching, He said, "Get into your boat and row out onto the lake. Throw out your nets again." This was silly. Everyone knew fish only come out at night. But Peter grumpily obeyed, "We caught nothing all night, but because you say so, we will go back out."

6. It was a good thing those fishermen DID obey Jesus, as they soon found out! They threw out the nets, then pulled them back so full of fish that they couldn't lift them into the boat!

God could do. "Leave your fishing nets and come follow Me," Jesus told them. "I'm making you fishers of men. You will bring God's Word to people, so they can learn about Me, the Savior, and 7. Once more, the Holy Spirit worked in those fishermen's hearts. Jesus had done something only be saved from their sins."

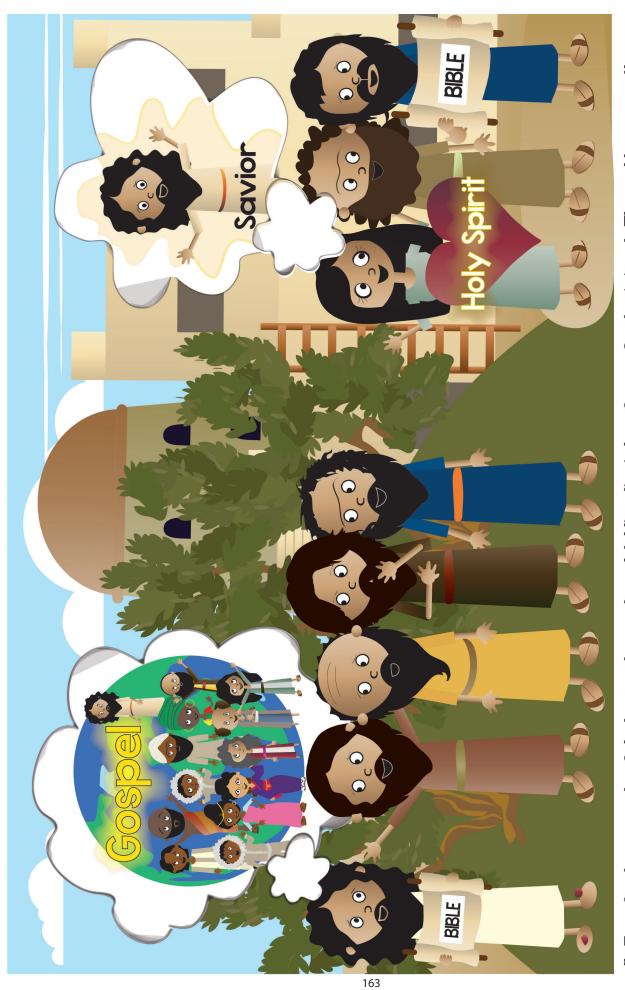

8. And that's what Peter, Andrew, James, and John did for three years. They listened to Jesus preach God's Word. They watched Him do many amazing things by God's power. Yes, Jesus WAS the Messiah, the Special One sent by God.

9. But what Jesus did at the end of those three years, was most amazing thing of all. Jesus choose to suffer and die on the cross. He gave up His life to pay for the sins of God's people. Peter, Andrew, James, and John were sad and confused. Was the Messiah supposed to die?

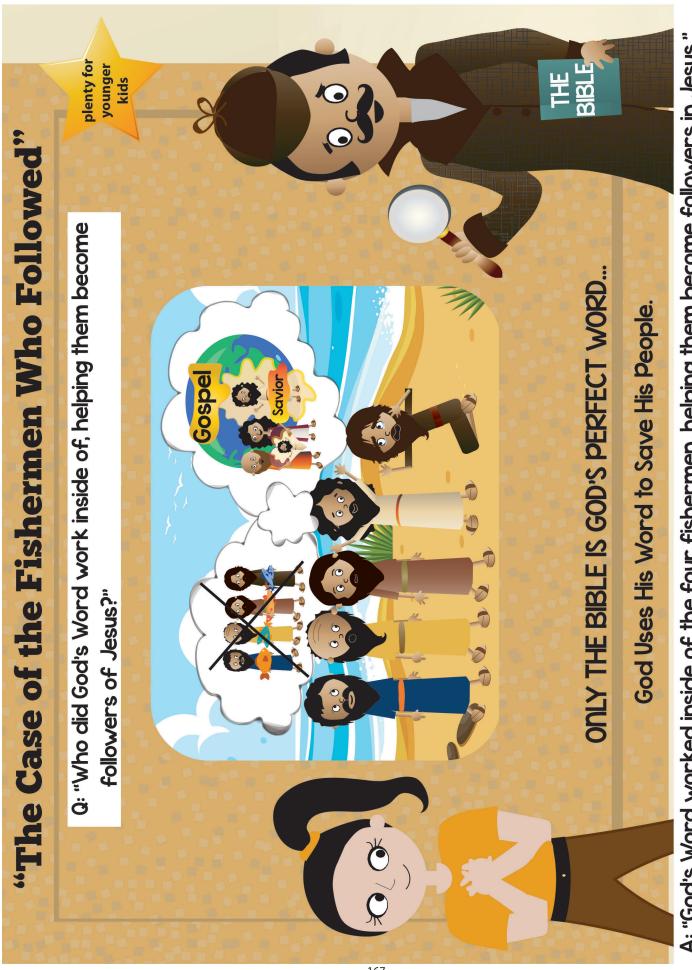

10. Jesus was buried in a cave-grave that day, but He didn't stay there. On the third day, Jesus rose up from the dead in victory! How happy Peter, Andrew, James, John, and the others were! Yes! Jesus really was God's Son, the Savior! He had beaten sin and death for God's people!

work to do: "Go into the whole world and teach everyone about Me!" The disciples were happy to II. For forty, wonderful days, Jesus taught His disciples from God's Word. Then, He gave them obey. They watched many people trust in Jesus as their Savior.

12. God used these men not only preach His Word, but also to write it down. It was Fisherman Peter who wrote the words to our Bible verse. God has used the words they wrote down to help many people believe in Jesus and be saved. He can even use them to save you. Ask Him!

- 3. But then, someone came who turned that worst NIGHT ever into the best DAY ever for those men. It was Jesus! He led a crowd of people near to where Peter, Andrew, James, and John worked. Jesus had come to teach God's Word, and He wanted these fishermen to hear.
- 4. As Jesus taught, God's Holy Spirit worked in the hearts of Peter, Andrew, James, and John. This was just as Jesus had planned. These men would become His disciples. He would teach them God's Word and prepare them to tell the whole world the good news of salvation.
- 5. When Jesus finished teaching, He said, "Get into your boat and row out onto the lake. Throw out your nets again." This was silly. Everyone knew fish only come out at night. But Peter grumpily obeyed, "We caught nothing all night, but because you say so, we will go back out."
- 6. It was a good thing those fishermen DID obey Jesus, as they soon found out! They threw out the nets, then pulled them back so full of fish that they couldn't lift them into the boat.
- 7. Once more, the Holy Spirit worked in those fishermen's hearts. Jesus had done something only God could do. "Leave your fishing nets and come follow Me," Jesus told them. "I'm making you fishers of men. You will bring God's Word to people, so they can learn about Me, the Savior, and be saved from their sins."
- 8. And that's what Peter, Andrew, James, and John did for three years. They listened to Jesus preach God's Word. They watched Him do many amazing things by God's power. Yes, Jesus WAS the Messiah, the Special One sent by God.
- 9. But what Jesus did at the end of those three years, was most amazing thing of all. Jesus choose to suffer and die on the cross. He gave up His life to pay for the sins of God's people. Peter, Andrew, James, and John were sad and confused. Was the Messiah supposed to die?
- 10. Jesus was buried in a cave-grave that day, but He didn't stay there. On the third day, Jesus rose up from the dead in victory! How happy Peter, Andrew, James, John, and the others were! Yes! Jesus really was God's Son, the Savior! He had beaten sin and death for God's people!
- 11. For forty, wonderful days, Jesus taught His disciples from God's Word. Then, He gave them work to do: "Go into the whole world and teach everyone about Me!" The disciples were happy to obey. They watched many people trust in Jesus as their Savior.
- 12. God used these men not only preach His Word, but also to write it down. It was Fisherman Peter who wrote the words to our Bible verse. God has used the words they wrote down to help many people believe in Jesus and be saved. He can even use them to save you. Ask Him!
